Prevent Blindness Ohio, founded in 1957, is Ohio's leading volunteer, nonprofit public health organization dedicated to preventing blindness and preserving sight. It serves all 88 Ohio counties, providing direct services to more than 800,000 Ohioans annually and educating millions of consumers about what they can do to protect and preserve their precious gift of sight. Prevent Blindness Ohio is an affiliate of Prevent Blindness America, the country's second-oldest national voluntary health organization. For more information visit our website at www.pbohio.org.
