

Every 11 minutes someone in America goes blind yet, 50% of all blindness is preventable.

Join us for the **25th Annual Swing for Sight Golf Classic** to increase awareness about eye health in an effort to decrease preventable blindness. The Swing for Sight Golf Classic will be held in Nashville on Wednesday, September 17, at the historic Gaylord Springs Golf Links.

The golf scramble includes first, second, and third place team awards as well as the chance to win a hole-in-one

prize and putting contest. We hope you will join us for a day of fun and friendly competition to benefit Prevent Blindness Tennessee's sight-saving programs.

For 30 years, Prevent Blindness Tennessee has worked to prevent blindness and preserve sight across the state through programs that provide free vision screenings, eye exams, eyeglasses, and education to children and seniors in need. Early detection and education are keys to decreasing unnecessary vision loss due to eye injury and disease.

Don't miss this great opportunity to get together with friends for an enjoyable event while giving back to the community. Please complete and return the enclosed registration card to reserve your team and/or corporate sponsorship today!

For more information about Prevent Blindness Tennessee's programs and services visit our website at www.preventblindnesstn.org
